3. SITE DESCRIPTION:

Hays-Walker PBR No. 1, encompassing approximately 2,560 acres, is located 18 miles south of Ellis, Kansas, and eight miles north-northeast of Ransom, Kansas. The land is currently being used for crops and pasture.

4. SITE HISTORY:

Hays-Walker PBR No. 1 was acquired by the Army between 1942 and 1943. This FUDS was used by Walker Army Air Field for B-29 precision bombing training utilizing M38-series, 100 pound practice bombs. On 26 Sep 1946, the Army reported 2,560 acres under lease as surplus.

5. PROJECT DESCRIPTION:

Entire Site: Size, Acres: 2560
Former Use: Target Area
Present Use: Cultivated Farmland/Grazing
Probable End Use: Same as above
Ordnance Presence: Confirmed
Type: Bomb, 100 lb. Practice
M38-series w/spotting Charge, M1A1

6. CURRENT STATUS: The Archives Search Report (ASR) for Hays-Walker PBR No. 1 was completed by the U.S. Army Corps of Engineers, St. Louis District, in January 1995.

7. STRATEGY: EE/CA

8. ISSUES AND CONCERNS:

a. The Huntsville Center Technical Advisory Group reviewed this ASR and has determined that an EE/CA is required for the entire site since there was confirmed debris from M38-series, 100 pound practice bombs encountered by the SI Team during their inspection of this FUDS. There was no surface evidence that any HE bombs were dropped on this site. Since the site has not been broken down into separate areas, the entire site must be considered; however, the main focus of any removal actions should concentrate on the lands which surround the target circles.

b. Based on the investigation of historical records reviewed, the results of the site survey and interviews, there is no evidence of Chemical Warfare Materials ever being stored, used or disposed of at this FUDS.

c. There are known Federally- and State-listed species occurring in the site area. An on-site inspection by appropriate State and Federal personnel may be necessary to verify the presence, absence or location of listed species or natural communities.

9. SCHEDULE SUMMARY: EE/CA

10. FUNDING/BUDGET SUMMARY: For Official Use Only
